HOW IT WORKS

Critical Illness Plus doesn't replace your medical plan. It gives it a boost! This is a limited benefits policy. Be sure to check out the policy for details on the specific illnesses and accidents that are covered.

1

WHY SHOULD YOU BUY IT?

For the price of a takeout pizza or two a month, you can rest easier and play harder knowing you're financially prepared for whatever life throws your way.

Flexible coverage

Covers illnesses that lead to hospitalization

The plan pays a one-time benefit if you're diagnosed with certain serious illnesses, such as cancer or ALS, or if you suffer a stroke or heart attack.

Covers accidents, big and small

The plan offers a lump-sum payment for covered accidents and also includes an accidental death benefit.
