## Individual Emergency Treatment and Critical Illness with Limited Cancer Benefits Insurance Outline of Coverage

**Please Read the Policy Carefully** - This Outline of Coverage provides a very brief description of the important features of the Policy. Please note that this outline is not intended to be a part of the insurance contract. Only the actual Policy provisions are final and binding. The Policy itself sets forth in detail your rights and obligations as well as those of the insurance company. **Keep this document for your records.**

**Please Note:** The Individual Emergency Treatment and Critical Illness with Limited Cancer Benefits Policy is a supplemental plan that **only** pays a benefit in the event of an Accidental Death, diagnosis of a Specified Critical Illness or Emergency Treatment for a Covered Accident or Illness. **This is a limited benefit policy. Coverage is not provided for major medical expenses. This is not a Medicare Supplement Policy.**

### Eligibility

You may elect coverage for yourself, your Spouse, and your Dependent Children under the age of 26. You and your Spouse must enroll in coverage prior to age 65; however, you may continue to be covered by this policy after age 65.

### How the Policy Works

In the event of an Accidental Death, the diagnosis of a Critical Illness, or Emergency Treatment of a Member, the Policy pays a lump sum benefit. The benefit payment can be spent in any way you choose. It can be used for everyday expenses, household bills, or medical expenses related to the accident or illness.

At the time of application, you have the opportunity to choose from two plan options offering different levels of benefits; you select the amount of coverage that fits your family's needs.

	<b>Benefit Payment</b>	
	<b>Plan Option 1</b>	<b>Plan Option 2</b>
<b>Accidental Death Benefit</b>		
Accidental Death of the Primary Insured or Spouse	\$25,000	\$25,000
Accidental Death of a Dependent Child	\$5,000	\$5,000
<b>Critical Illness Benefit</b> - Payable once per Member per Lifetime, whether or not more than one critical illness is diagnosed.		
<b>Diagnosis of a Critical Illness</b>	\$5,000	\$10,000
The Critical Illness Benefit Amount reduces by 50% on the first premium due date after age 75.		
<b>Emergency Treatment Benefits</b> - Payable once per Member per Covered Accident or Covered Illness, and twice per Member per Benefit Year.		
<b>Emergency Medical Treatment</b>		
Due to a Covered Accidental Injury	\$250	\$500
Due to a Covered Illness	\$125	\$250
<b>Hospital Admission</b>		
Due to a Covered Accidental Injury	\$500	\$1,000
Due to a Covered Illness	\$250	\$500
<b>Emergency Dental Treatment due to a Covered Accidental Injury</b>		
Broken tooth repaired with a crown, denture or implant	\$200	\$400
Broken tooth resulting in extraction	\$50	\$100

Please see the Policy for more detailed information concerning covered benefits, exclusions and limitations.

**Coverage Waiting Period** - Benefits are available immediately for injuries sustained from a Covered Accident; however, there is a 30 day coverage waiting period for any benefits relating to an illness.

- No benefits will be paid for the diagnosis of a Critical Illness or Emergency Treatment for a Covered Illness during this 30-day Coverage Waiting Period.

Benefits will be payable for Specified Critical Illnesses when diagnosed after the 30-day Coverage Waiting Period and when all other provisions of the Policy are met.

## **Exclusions and Limitations**

1. professional participation in parachuting, bungee jumping or hang gliding sports, or an organized race or speed contest involving motor vehicles of any type;
2. being legally intoxicated or being under the influence of any narcotic, unless the narcotic is taken under the direction of and as directed by a Physician;

4. service in the armed forces of any country;
5. engaging in any illegal or fraudulent occupation, work, or employment; or
6. operating or riding in any kind of aircraft except as a fare-paying passenger on a regularly scheduled commercial flight.

Health information may include claims records, correspondence, medical records, billing statements, diagnostic imaging reports, laboratory reports, dental records, or hospital records (including nursing records and progress notes).

If I choose to not sign this authorization, LMA may be unable to enroll my family or me in the health plan or to pay claims that were incurred while we had insurance coverage with LMA.

I may cancel this authorization at any time by sending a written request to LMA. Cancellation of this authorization will not affect any action LMA took before it received this request. **NOTICE TO APPLICANT  
REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE**

**Please note:**

- The Renewable Individual Emergency Treatment and Critical Illness with Limited Cancer Benefits Insurance Policy is intended to supplement your current accident and sickness medical expense policy.
- This Policy does not reimburse for any medical expenses.
- This Policy only pays a benefit in the event of an Accidental Death, diagnosis of a Specified Critical Illness or Emergency Treatment for a Covered Accident or Illness.
- This is a limited benefit policy. This is not a Medicare Supplement Policy.
- You do not have to terminate your current accident and sickness medical expense policy to purchase this supplemental policy.

**Please Read Your Policy Carefully.**

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by LifeMap Assurance Company. For your own information and protection, you should be aware of and seriously consider certain factors that may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits present under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
